Career Experience

Interior Designer. Jan Hird Pokorny & Associates | 2022 – present | New York, NY

Creation of construction documents and interior product specifications for adaptive reuse projects in the greater New York area. Field research and thorough documentation for Historic Structure Reports and building conditions surveys. Assistance in Master Planning and Feasibility Studies. Creating and facilitating long-term client and vendor relationships while maintaining a comprehensive product and finish library.

Interior Designer. Bero Architecture, PLLC | 2019 – 2022 | Rochester, NY

Designing for residential, municipal, higher ed., and religious spaces while maintaining Bero's long-established mission in historic preservation excellence. Creating and maintaining client and vendor relationships, creation of construction documents and interior product specifications, and construction administration. Commercial and Residential Historic Tax Credit research, writing, and administration.

Interior Designer. Tetra Tech Architects & Engineers | 2017–19 | Ithaca, NY

Creating schematic through construction level documentation for new and existing spaces. Project experience includes K-12 and higher ed. learning facilities, municipal buildings, and office environments. Formulating design solutions and writing specifications for interior wall placement, casework, fixtures, and equipment appropriate to project requirements and in coordination with clients and internal disciplines. Comprehensive finish and color selections.

Field Services Consultant. Preservation League of New York State | 2016–17

Providing technical services to organizations, municipalities, and property owners in the Southern Tier. Working with the SHPO to organize and lead outreach programming at the local and regional level. Historic site and building research.

Preservation & Design Specialist. Corning's Gaffer District | 2013–16 | Corning, NY

Coordinating the visual merchandising program available to all businesses within the Gaffer District. Assisting in New York Main Street and Façade Matching grant applications for Corning business and building owners. Providing sign and logo design services for Gaffer District business owners. Selecting façade paint colors for historic buildings.

Volunteer Experience

Member, Young Urban Preservationists | 2019 – 2023 | Rochester, NY

Event engagement and organization for the emerging generation of preservationists dedicated to promoting inclusive practices to help revitalize communities and built environment.

Member of Board of Directors, Historic Ithaca, Inc. | 2018–19 | Ithaca, NY

Overseeing Historic Ithaca's mission to promote the value and enhancement of the historic buildings and neighborhoods of Tompkins County. Providing research and representation at municipal and community meetings to support preservation initiatives and oppose threats to important structures and neighborhoods.
